# Total Inclusivity at Work

**Stephen Whitehead**, Total Inclusivity, Thailand

Despite inclusivity's importance and most people's desire for it, understanding inclusivity can be tricky. This book introduces the concept of Total Inclusivity to organisations, their leaders and employees around the world. Written in an accessible style, while informed by contemporary research into the self, organisations and identities, this book will not only guide organisational members – owners, CEOs, leaders, managers, administrators and every staff member – along the pathway to creating a Totally Inclusive community, it will establish a bold and provocative ethical standard for organizations to follow as they venture further into this century.
